DESCRIPTION

Tramonto a New York sofa, designed by Gaetano Pesce and produced by Cassina in 1979. This example corresponds to the first edition of the model, recognizable by its original proportions.

A true manifesto piece, Tramonto a New York brings the urban landscape into the domestic sphere. The generously padded volumes are upholstered in an exclusive textured fabric evoking city facades, while the central backrest in vivid red satin suggests a setting sun slipping between skyscrapers. Positioned between architecture, sculpture and

furniture, the sofa asserts a strong narrative dimension, emblematic of Gaetano Pesce's radical and expressive approach at the end of the 1970s.

More than a sofa, Tramonto a New York stands as an inhabited work, conceived as a visual and symbolic experience while remaining a generous and welcoming seating piece.

Excellent general condition.

Manufacturer : Cassina, circa 1979.
