DESCRIPTION

Sofa bed from the Résidence Nova in Les Arcs, designed by Charlotte Perriand as part of her large-scale project for the French Alpine resort.

Made of solid pine, the slatted frame incorporates two sliding drawers ingeniously concealed behind a drop-down front. The seat, composed of a mattress and foam cushions, is upholstered in a midnight blue fabric by Nobilis, creating a refined contrast with the natural tone of the wood.

The piece unfolds into a bed measuring 190 cm * 80 cm, both practical and comfortable.

Seat height: 45 cm.

Provenance: Résidence Nova, Les Arcs.
