DESCRIPTION

Very rare model R 123 lamp by the Atelier de Recherches Plastiques (A.R.P), produced by Disderot around 1954. A.R.P was founded in 1954 by Joseph-André Motte, Michel Mortier and Pierre Guariche with the aim of offering industrialised design furniture, both technically and aesthetically innovative.

This large egg is composed of a Rotaflex shade resting on a tripod base in black lacquered metal.
