DESCRIPTION

A cabinet by André Sornay, inventor of the "tigette" assembly system.

This storage unit with a rectangular solid mahogany frame features sliding doors, one lacquered in black and two in red-orange. A glass-paneled door offers a glimpse into the interior, revealing a lacquered black finish that highlights the refined shelving system, perfect for both display and storage.

The piece rests on four chamfered legs.

Manufacturer : Meubles Sornay, Lyon circa 1950.
Original label on the back of the unit.
