DESCRIPTION

Bottega Veneta.

Cabat model bag in off-white intrecciato leather, designed to be carried by hand or over the shoulder.

This piece is part of a numbered limited edition, handcrafted in Italy. It comes with a matching zipped leather pouch, signed with a metal plaque reading: "Bottega Veneta - Made in Italy - Limited Edition 99/150".

The leather edges are finished with a dark brown coating, subtly outlining the silhouette of the bag.

An iconic bag showcasing the artisanal excellence of the house, woven using Bottega Veneta's signature intrecciato technique.

This is a pre-owned item in good vintage condition. It shows some visible signs of wear: marks on the handles and light soiling on the base. See photos.
