DESCRIPTION

Armchair in dark-stained solid oak, in the style of the Arts and Crafts movement.

This armchair stands out for its solid oak structure, with the dark stain highlighting the natural grain of the wood. The backrest and seat are adorned with cane webbing, adding lightness and comfort while contrasting with the sturdiness of the frame. The wide, flat armrests, supported by openwork uprights, enhance the piece's understated elegance. The legs, slightly curved at the back and ending in small rounded feet, reflect refined craftsmanship.

United Kingdom, circa 1920.
