DESCRIPTION

Pair of S142 armchairs designed in 1969 by Italian designer Eugenio Gerli for the prestigious publisher Tecno.

This iconic model stands out with its central cut-backrest, a unique feature that offers both flexibility and optimal support for exceptional comfort, even during prolonged use. Mounted on casters, the S142 armchair combines a sturdy metal frame with a high-quality leather covering, showcasing the elegance and craftsmanship of Italian design. The 142 series, celebrated for its versatility, integrates seamlessly into various settings: domestic interiors, professional offices, or hospitality environments. It is available in several versions, including the S142 armchair with a high and

supportive backrest.

Seat height : 19.8 inches

Manufacturer : Tecno Italy
