REF: 7256

Height: 46 cm (18.1")

Diameter: 29 cm (11.4")

DESCRIPTION

Pair of pine stools designed by Charlotte Perriand for the Les Arcs ski resort in the French Alps, circa 1965.

Created for the mountain apartments, these iconic pieces combine rustic simplicity with structural efficiency. Each stool features four rounded legs joined at the base, topped by a thick, gently curved seat.

This pair was sourced directly from the resort.

France, circa 1965.
