

Carved solid gouge wood box, France, circa 1960

Sold

REF: 7827

Height: 10 cm (3.9")

Width: 17 cm (6.7")

Depth: 12 cm (4.7")

DESCRIPTION

Hand-carved solid wood box made in France circa 1960.

The piece features an organic, irregular shape reminiscent of a pebble or mineral fragment. The fitted lid follows the contours of the base with precision. The entire surface is carved with a gouge, creating angular facets that catch the light and enhance the natural wood grain. The interior, hollowed from the solid block, presents a smoother finish in contrast to the textured exterior.

France circa 1960
