DESCRIPTION

The large Giova table lamp designed by Gae Aulenti in 1964 beautifully captures the innovative and bold essence of 1960s Italian design.

Characterized by its dual-layered glass construction, the Giova features a transparent glass globe that houses a soft opaline diffuser, while a pink glass half-sphere adds a playful touch and can also function as a vase. The lamp is anchored by a sleek chrome base and becomes a harmonious blend of light and nature.
